ABOUT WINEPRESS

Established in 1991, Winepress is the longest running wine publication in NZ. It is produced by Wine Marlborough, the regional wine association. Winepress is distributed to all Marlborough wine companies, growers & key industry people both nationally and internationally. Around 1000 copies are sent out each month and can be seen in libraries, staff rooms & on coffee tables. It is regarded by our members as the most well read & received form of communication we send out. A digital version can also be found on the Wine Marlborough website. Winepress is a monthly publication that includes the latest news, information & research in the Marlborough wine industry.
